

Let's have a virtual "ghostly" celebration!

DATE

October 30th 2020

Where?

Our Intranet will be the spot to join in all of the activities such as games, past Halloween fun & announcements.

**Games,
You Say?**

Certainly! We will be playing "What movie is this?" & "Style your mask (PPE edition)". Rules will be sent next week.

**How can I join
in on the fun?**

We will also have a Zoom meeting room open throughout the day for everyone to drop in, say hi, show off their masks & celebrate.

**What if I need
help?**

The Halloween committee and IT will be available for any "mysterious" & "supernatural" technical issues.

Count *ME* in!

Please reply to let us know you're in on the fun!
